

East West Rail Notice of Piling Works Winslow

For more information, please email
publicinformation@ewralliance.co.uk

Dear Neighbour,

We will be carrying out piling activities in the **Winslow station car park on Buckingham Road**. This work will be carried out from **Monday 20th November to Friday 8th December 2023**. These works will provide the foundation support for the car park structure at Winslow Station.

Before we commence with piling works, we will construct a platform where the piling rig can operate safely, this will start from **Monday 6th November to Friday 17th November 2023**.

We will then begin the piling works to facilitate the construction of the car park structure. The piling works will be carried out from **Monday 20th November to Friday 8th December 2023**. The works include the use of machinery and involve piles being rotated into the ground, as opposed to the previous method of being driven in. During this period, you may experience an increase in construction noise.

Our working hours are **Monday to Friday from 7am to 6pm and Saturdays from 7am to 4pm**.

We appreciate that these works are disruptive to the local area, every effort is being taken to ensure disruption is kept to a minimum.

If you have any questions or concerns, please email publicinformation@ewralliance.co.uk or call our **24/7** helpline on **03457 11 41 41**.

Yours sincerely,
East West Rail Team

Working for you
