Matters Delegated by Council: Consideration, pursuant to Council resolution 24/66, as to whether the proposed installation of a new football stand at the Recreation Ground constitutes permitted development under Part 12 of Schedule 2 to The Town and Country Planning (General Permitted Development) (England) Order 2015.

D24/92 Members noted that, if football is to be played in the Town to the highest possible standard, there is immediate need for the construction of a further stand at the recreation ground. As (a) that stand will become and remain the property of WTC and enhance the recreation ground; (b) its provision will make it possible for the Town's football team to play at a higher level and (c) will further the Council's objective of continuing to support the provision of spectator football in the Town the Committee RESOLVED that landlord's consent for construction of the new stand be granted. The Committee further noted that the stand constitutes permitted development under Part 12 of Schedule 2 to The Town and Country Planning (General Permitted Development) (England) Order 2015.
